The Smoky Mountain Paralegal Association ("SMPA") is a voluntary, nonprofit Tennessee corporation that was formed in 2005 to meet the need for a professional association for paralegals in the East Tennessee area. SMPA is composed of paralegals working in all areas of the law, students in recognized paralegal educational programs, and supporters of the paralegal profession, who are interested not only in furthering their own professional development, but are also dedicated to the advancement of the paralegal profession as a whole.

SMPA's goals are:

- * To maintain high standards of performance in the paralegal profession;
- * To inform members of developments in the paralegal profession;
- * To encourage and provide continuing education for paralegals;
- * To promote awareness and educate the community regarding the effective use of paralegals; and
- * To foster communication, education and understanding among members of the legal profession and the community.

SMPA sponsors an annual seminar with a broad range of legal topics. Additionally, monthly educational meetings are conducted giving members the opportunity to hear speakers on a variety of legal issues and earn CLE credits. The monthly meetings are also provided to SMPA members for CLE credit by online rebroadcasts.

NATIONAL ASSOCIATION OF LEGAL ASSISTANTS CODE OF ETHICS AND PROFESSIONAL RESPONSIBILITY

DEFINITION: Paralegals are a distinguishable group of persons who assist attorneys in the delivery of legal services. Through formal education, training and experience, legal assistants have knowledge and expertise regarding the legal system and substantive and procedural law which qualify them to do work of a legal nature under the supervision of an attorney.

CANON 1: A paralegal must not perform any of the duties that attorneys only may perform nor take any actions that an attorney may not take.

CANON 2: A paralegal may perform any task which is properly delegated and supervised by any attorney, as long as the attorney is ultimately responsible to the client, maintains a direct relationship with the client, and assumes professional responsibility for the work product.

CANON 3: A paralegal must not: a) engage in, encourage, or contribute to any act which could constitute the unauthorized practice of law, and b) establish attorney-client relationships, set fees, give legal opinions or advise, or represent a client before a court agency unless so authorized by that court or agency; and c) engage in conduct or take any action which would assist or involve the attorney in a violation of professional ethics or give the appearance of professional impropriety.

CANON 4: A paralegal must use discretion and professional judgment commensurate with knowledge and experience but may not render independent legal judgment in place of any attorney. The services of any attorney are essential in the public interest whenever such judgment is required.

CANON 5: A paralegal must disclose his or her status as a legal assistant at the onset of any professional relationship with a client, attorney, court or administrative agency or personnel thereof or a member of the general public. A paralegal must act prudently in determining the extent to which a client may be assisted without the presence of an attorney.

CANON 6: A paralegal must strive to maintain integrity and a high degree of competency through education and training and respect to professional responsibility, local rules and practice, and through continuing education in substantive areas of law to better assist the legal professional in fulfilling its duty to provide legal service.

CANON 7: A paralegal must protect the confidences of a client and must not violate any rule of statute now in effect or hereafter enacted controlling the doctrine of privileged communications between a client and an attorney.

CANON 8: A paralegal must do all other things incidental, necessary, or expedient for the attainment of the ethics and responsibilities as defined by statute or rule of court.

CANON 9: A paralegal's conduct is guided by bar associations' codes of professional responsibility and rules of professional conduct.

CANON 10: A paralegal's conduct is guided by bar associations' codes of professional responsibility and rules of professional conduct.
